## This Week at MCG...

### Time Flies When You're Having Fun!

Subhan Allah, May has arrived, which means we only have 6 more weeks of school left! Time is tic-tic-ticking! This brings us to our theme for this week: TIME. We will be looking at the difference between activities done during the day and night. What time certain routines are repeated during the day and also explore time by the hour. You can encourage your child to have a better understanding of time by letting them know a certain time frame

before doing a certain activity. For example, you might say "In 15 minutes we will be leaving" or "You have 5 minutes to clean up your toys."

هذا الاسبوع سنتكلم عن الوقت و اهميته في حياتنا اليومية. كم ساعة في اليوم-تقسيم اليوم الي صباح-ظهر-مساء. اهمية الوقت في الصلاة-عدم تضضيع الوقت في شئ لا يفيد. ارقام الساعة و كيف نقرأها.
